

ENFIELD BOROUGH OVER-50s FORUM

Are you one of the more than 80,000 people aged over 50 living in Enfield?

Do you want to help raise the quality of life of our generation?

Do you want to:

- Keep active
- Make a real difference to the lives of older people?

Then why not join our Forum and help to:

- Promote a positive image of older people.
- Contribute your energy, talent and experience to make life better for everyone.

Our non-party political Forum is open to everyone over 50. Individuals and older people's clubs can, through us, help to make their views known to Enfield Council, MPs, health authority and all decision-makers in the local community.

We meet at 10 a.m. on the last Tuesday of every month (except December) at the Civic Centre, Silver Street.

ENFIELD BOROUGH OVER-50s FORUM

- **KEEP ACTIVE**
- **FEEL BETTER**
- **LIVE LONGER**

Our Forum seeks to:

Influence the decision-makers nationally and locally on such matters as: health, educational and leisure activities, transport, social and community care, housing, age discrimination in employment, pensions and benefits.

Our Forum aims to:

Listen and respond to the views of people over 50.

Maximise opportunities for the over-50s.

Influence the formulation and implementation of policy.

Involve more older people in decision-making.

Monitor and test policies affecting over-50s.

Measure performance in meeting the needs of over-50s.

We believe that older people represent a resource and a force that, working in partnership with others, can help make Enfield a borough to be proud of.
